### **DEFENDANTS’ COURSE OF CONDUCT**

9. Since at least December 19, 2005, and continuing thereafter, defendants have labeled, advertised, promoted, offered for sale, sold, and distributed a purported weight-loss product called “Slim Coffee” to consumers throughout the United States. Advertisements for “Slim Coffee” have appeared on the Internet, radio, and television, including on Oxygen, Fox Reality Channel, A&E Television, The CW, WE, and Bravo. #### **DEFENDANTS’ VIOLATIONS OF THE FTC ACT**

12. Section 5(a) of the FTC Act, 15 U.S.C. § 45(a), prohibits unfair or deceptive acts or practices in or affecting commerce. Section 12(a) of the FTC Act, 15 U.S.C. § 52(a), prohibits the dissemination of any false advertisement, in or affecting commerce, for the purpose of inducing, or which is likely to induce, the purchase of food, drugs, devices, services, or cosmetics.

13. For the purposes of Section 12 of the FTC Act, 15 U.S.C. § 52, Slim Coffee is either a “food” or a “drug” as “food” and “drug” are defined in Sections 15(b) and (c) of the FTC Act, 15 U.S.C. § 55(b) and (c).

**COUNT ONE**

**False and Deceptive Weight Loss Claims**

14. As described in Paragraph 11, including through the use of the trade name “Slim Coffee” and the statements and depictions contained in the advertisements attached as Exhibits A through K, defendants have represented, expressly or by implication, that drinking Slim Coffee:

- A. enables consumers to lose substantial weight, including as much as two to five pounds per week and twenty pounds per month, without the need to reduce caloric intake or increase physical activity;
- B. causes rapid weight loss;
- C. burns body fat;
- D. increases muscle mass;
- E. suppresses appetite; and
- F. boosts metabolism sufficient to cause weight loss or burn body fat.

15. The representations set forth in Paragraph 14 are false or were not substantiated at the time the representations were made. Among other things, there are no reliable scientific studies of defendants’ weight loss product, or of the ingredients in that product, to support the effects claimed in defendants’ advertising. Therefore, the making of the representations in Paragraph 15 constitutes a deceptive practice and the making of false advertisements, in or affecting commerce, in violation of Sections 5(a) and 12 of the FTC Act, 15 U.S.C. §§ 45(a) and

52.

## **COUNT TWO**

### **False Establishment Claims**

16. As described in Paragraph 11, and the statements and depictions contained in the advertisements attached as Exhibits A through K, defendants have represented, expressly or by implication, that clinical studies prove that drinking defendants' weight loss product, Slim Coffee, enables consumers to lose substantial weight, including as much as two to five pounds per week and twenty pounds per month, without the need to reduce caloric intake or increase physical activity.

17. In truth and in fact, clinical studies do not prove that drinking defendants's weight loss product, Slim Coffee, enables consumers to lose weight, including as much as two to five pounds per week and twenty pounds per month, without the need to reduce caloric intake or increase physical activity. Therefore, the making of the representation in Paragraph 16 constitutes a deceptive practice and the making of false advertisements, in or affecting commerce, in violation of Sections 5(a) and 12 of the FTC Act, 15 U.S.C. §§ 45(a) and 52.

### **CONSUMER INJURY**

18. Consumers throughout the United States have suffered and continue to suffer substantial monetary loss as a result of defendants' unlawful practices. In addition, defendants have been unjustly enriched as a result of their unlawful practices. Absent relief by this Court, defendants are likely to continue to injure consumers, reap unjust enrichment, and harm the public interest.

### **THIS COURT'S POWER TO GRANT RELIEF**

19. Section 13(b) of the FTC Act, 15 U.S.C. § 53(b), empowers this Court to grant

injunctive and such other relief as the Court may deem appropriate to halt and redress violations of the FTC Act. The Court, in the exercise of its equitable jurisdiction, may award other ancillary relief, including, but not limited to, rescission of contracts and restitution, and the disgorgement of ill-gotten gains caused by defendants' law violations.

**PRAYER FOR RELIEF**

WHEREFORE, plaintiff, pursuant to Section 13(b) of the FTC Act, 15 U.S.C. § 53(b), and the Court's own equitable powers, requests that the Court:

- (a) Enter a permanent injunction to prevent future violations of the FTC Act by defendants;
- (b) Award such relief as the Court finds necessary to redress injury to consumers resulting from defendants' violations of the FTC Act, including, but not limited to, rescission or reformation of contracts, restitution, the refund of monies paid, and the disgorgement of ill-gotten monies; and

(c) Award plaintiff the costs of bringing this action, as well as such other and additional relief as the Court may determine to be just and proper.

Respectfully submitted,
